

Tier 2: Growth

Streamline Your HubSpot Operations

Let our certified HubSpot experts handle your tasks efficiently and accurately, so you can focus on growing your business. Whether you need technical configurations, task fulfillment, or basic support, this tier is designed to keep your HubSpot instance running smoothly.

What's Included

Gain reliable access to expert support with dedicated task execution services:

Task Execution

- Submit your HubSpot task requests to ensure your marketing, sales, and service teams stay on track.
- Guaranteed 48-hour SLA to queue your requests (development tasks may take longer).

Support & Recommendations

- Receive clear recommendations on service catalog items that align with your goals.
- Expert handling to ensure tasks are completed to the highest standards.

How It Works

1. **Kickoff Call:** A 45-minute session to align on priorities and outline your needs.
2. **Submit Tickets:** Use our ticket portal to request task execution services.
3. **Efficient Task Completion:** Certified experts execute your requests with precision and care.

Flexible Pricing Options

- Level 1: 10 Points Per Month – \$1,750/month
- Level 2: 15 Points Per Month – \$2,625/month
- Level 3: 20 Points Per Month – \$3,500/month

Why Choose Our Growth Tier?

Certified & Accredited Experts:

Leverage the expertise of HubSpot professionals to complete tasks quickly and accurately.

Guaranteed SLAs:

Reliable, 48-hour turnaround time for ticket queue placement (subject to task complexity).

Optimized for Your Needs:

Basic recommendations ensure you get the most out of HubSpot's capabilities.
